Foreword

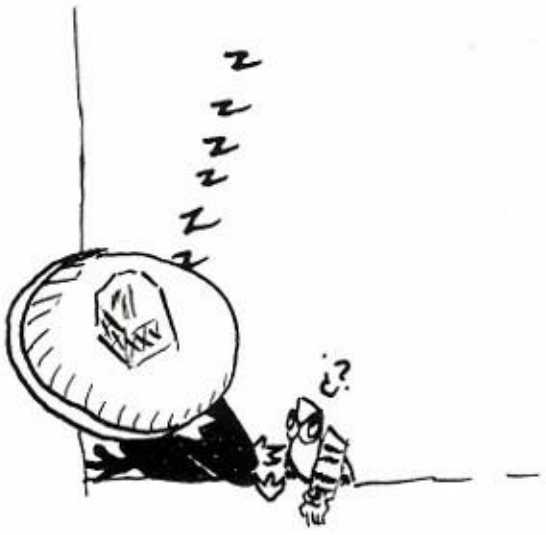
The 1961 staff proudly presents the
1961 Owl's Nest.

A story told rather silently of all the
hustle, bustle and excitement of a year
at Garland High School.

We hope in this way the high achievements,
extracurricular activities, and the
scholarship of the students of this
school will always be remembered.

Always will we, the students, remember
our years at GHS, and look back on this
book as a treasury of one of those great
years.

May the following years be as happy
and successful as those past.



We

Miss Katherine Stephens

dedicate

Because . . .

. . . You are very thoughtful and helpful to each of your students . . .

. . . You are dedicated to your profession . . .

. . . You show your love for the subject you teach . . .

. . . You are always willing to back our school sponsored activities . . .

. . . You have a warm smile and sweet personality . . .

. . . Everyone who knows you loves you and finds you "muy simpatico" . . .

We, the Annual Staff, dedicate this 1961 OWL'S NEST to you, MISS KATHERINE STEPHENS.

Miss Stephens relaxes in her garden.

On Pan-American Day, Miss Stephens wears her Mexican costume.

I will never forget all the fun I had in my English Class. I had one of the sweetest teachers in the whole world. I hope Mr Harry Durham will never forget me as long as he lives. I will never; Mr Durham as long as I live honest I want. I will always remember what he would say to me "Why Hello "Jones" how is "Mr Burns".

I want my English notebook so very bad I didn't know what to do. But as I thought he would keep them. I will never forget the fun I had in creating them.

God is the only person who knows how much I like Mr Durham. I knew he like me so very much because he was always teasing me. I will never forget the fun we had in English Class what I mean by this is a spelling test they would always try to have me. Nobody knows how much I want Mr Durham to teach it because I am going to go to High School if he does I am going to try to be in his class. But I need to find a chemistry book. Before the beginning of district play, few people felt that the Owls had any chance of winning the District 7-AAAA crown. In non-district competition the Owls had lost three out of six games. Sportswriters picked Garland to place third in district behind Highland Park and Sherman. Then again few people felt the renewed spirit the Owls took to the field within the second half of the McKinney game and kept the remainder of the season.

The Owls started out the 1960 season well enough, defeating Bryan Adams and Woodrow Wilson by the decisive scores of 22-0 and 34-6 respectively only to lose their next two games at the hands of Grand Prairie and Arlington. With the help of rain and mud Grand Prairie stymied the Owls 19-0. The next week Garland played the Arlington Colts a hard game but they found themselves on the short end of a 12-7 score when the final gun sounded.

Thoroughly riled by these two losses, the Owls came back to hand Irving an 18-0 defeat. Feeling confident once again, the Owls journeyed to McKinney only to be handed a 34-20 loss, but not until after the Owls had done a good bit of hard head-knocking. The loss, at long last, shocked the Owls into realization and with their "can't be beat" attitude rolled through district play to the cherished championship that brought Garland their first District Trophy since their debut into the AAAA rank in 1958.

Anyone who saw the Owls play their first district game could tell something had come over them. Shellacking Denison (38-15) and Denton (30-8) in two games supposed to be close, the mighty Owls put their noses to the grindstone to prepare themselves for a tough Sherman team who had beaten Highland Park 21-20 the week before. All the hard work paid off and the Owls defeated the Bearcats 23-14 to assure themselves at least a share in the District 7-AAAA championship. Regrouping their forces during a two-week lay-off, the Owls met the mighty Scots from Highland Park and pulled the wool over their eyes in a brilliant 14-14 tie ball game to win the District championship.

In the bi-district, the Owls dropped a heartbreaker to Lufkin 7-6 to end a very successful and praiseworthy season.

The Owls placed three on the All-District Team. They were James Rust, Butch Metcalf, and Larry Ethridge. Rust was named to the All Greater Dallas Team, and Metcalf and Ethridge were placed on the second team. Named to the All-District second team were Hugh Cook, Gary Harvey, Joe Espinosa, Bunky LeMaster, Eddie Horstman, and David Landgraf.

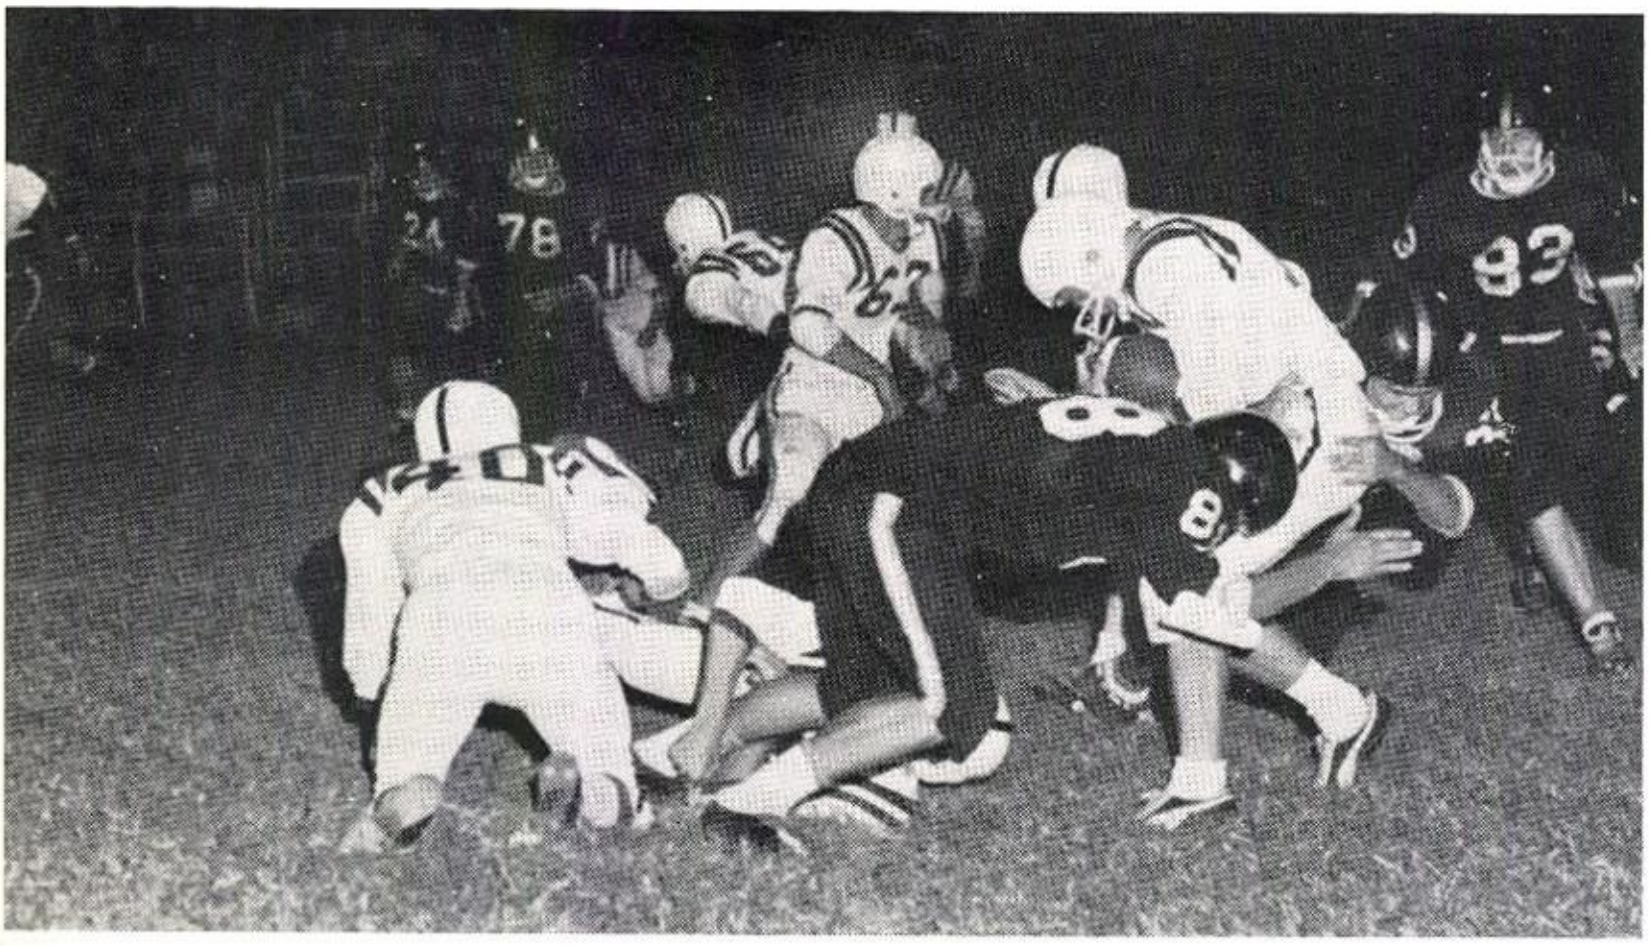
GARLAND 38 DENISON 15

The Owls rolled over the Yellowjackets 38-15 to start their march toward the District 7-AAAA Championship.

Denison's Philip Shafer scored the first touchdown of the game on a 65 yard pass play. The Owls fired back and scored on an 18 yard Ethridge to Mitchell pass. Ethridge kept around right end for the two points and the score stood 8-7.

The second score came on a 17 yard run by Ethridge. Metcalf's kick was good and the Owls pulled away 15-7. The Jackets came back quickly and tied the score on a 45 yard pass interception. Forty-seven seconds later Ethridge scored on a 9 yard jaunt around left end to put the score at 23-15 at the halftime.

In the second half the scoring honors went to Fitzgerald and Ethridge. Fitzgerald fought from the 10 in the third period to score. Ethridge kept for the final score after Butch Metcalf brought down a Ballou pass on the 12 and took it to the 1 yard line before being dropped. Horstman carried for the 2 points and the score stood 38-15 with 9:25 left in the game.



Sharp Young (20) picks up a speedy 22 yards in his only carry of the game. Denison's Harold Ballou (10) finally ran Young out of bounds.

Joe Espinosa (66) and James Rust (88) team together to halt Denison fullback David Smith at the line of scrimmage.

GARLAND 30 DENTON 8

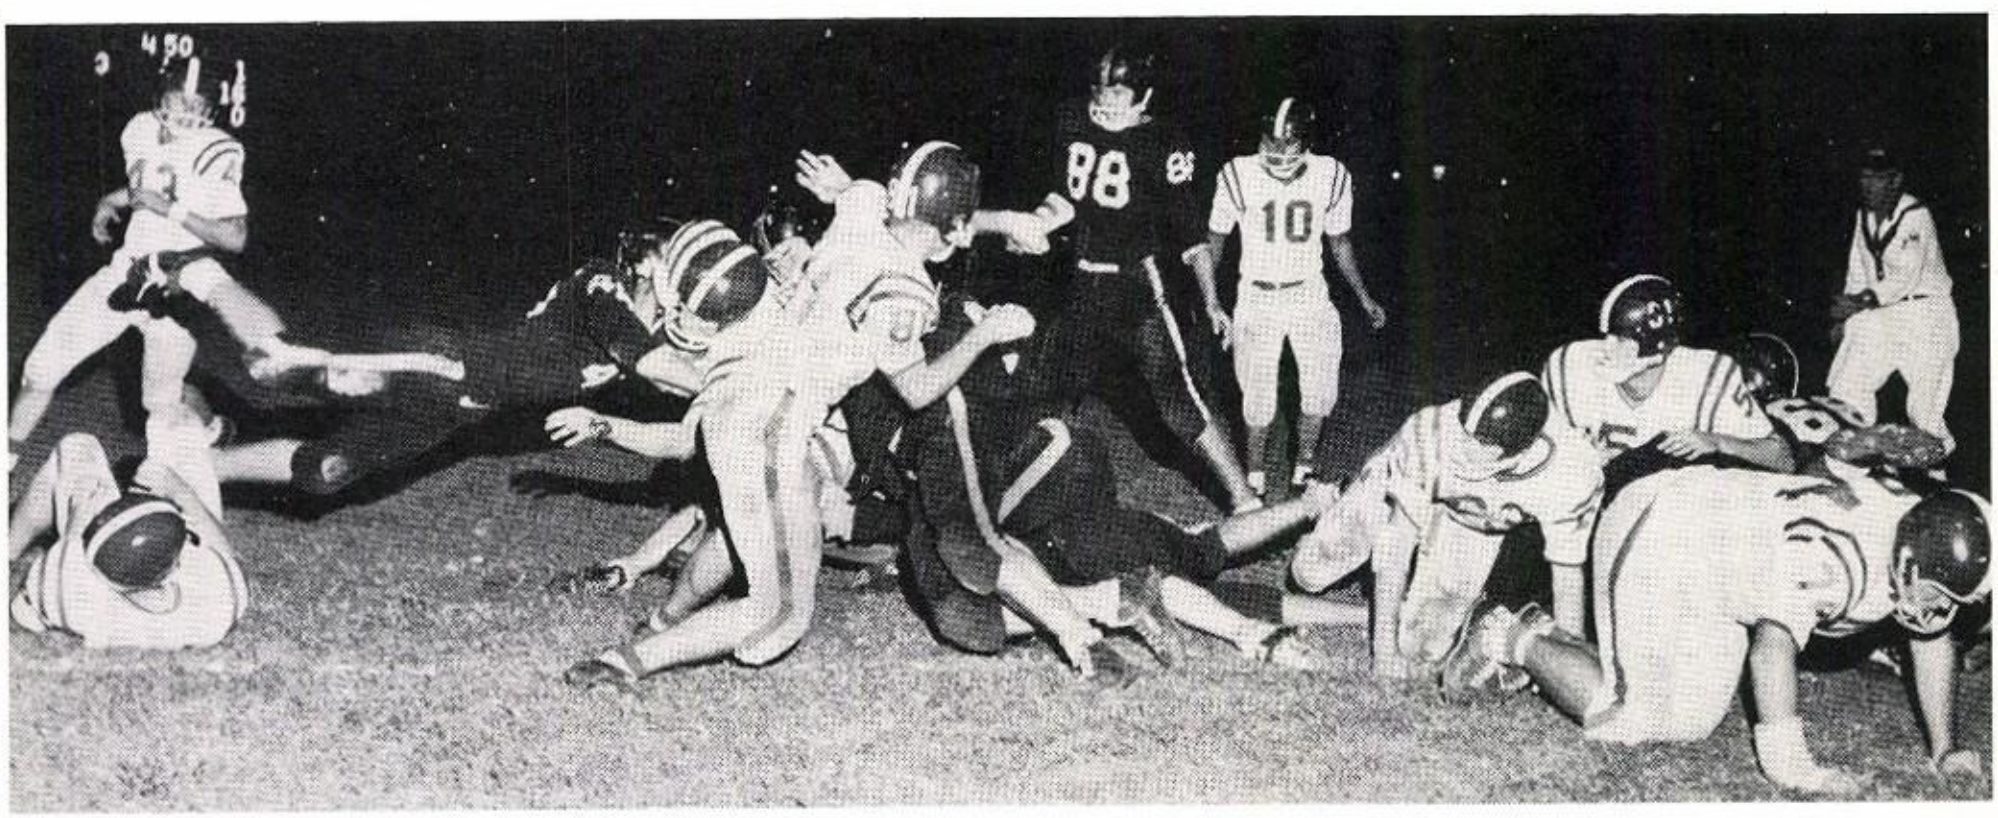
The Owls hit the road to take the Denton Broncos in their second district game.

After having two touchdowns in a row called back on penalties, the Owls were forced to surrender the ball to the Broncos who were forced to punt. Eddie Horstman took the kick and raced 62 yards to the Denton 5 yard line. On the next play, Horstman took the handoff for the score. Ethridge kept for the two points and the Owls took the lead 8-0.

The next score came on a keeper by Ethridge climaxing a 68 yard, 13 play drive. Sharp Young picked up two points putting the score at 16-0.

Then came that famous goal line stand by the Owls. The Broncos took the second half kickoff and drove 85 yards to the Garland one foot line only to give up the ball on downs. The Owls took the ball and marched 99 2/3 yards to chalk up another 6 points with David Landgraf doing the honors. Garland stopped Denton again on their own 11 yard line and made an 89 yard, 6 play touchdown drive to end the scoring for the Owls.

Denton's only score came on a 43 yard punt return. The Broncos' Ronnie Grove scored the 2 points to make the score 30-8. This was the score when the game ended.



The Owl defense puts forth a rugged display of sheer determination and stops Denton's Mike Cotten at the one foot line. This fine effort marked the beginning of that unforgettable 99 2/3 yard touchdown drive that set a new Garland High School record.

Butch Metcalf (78) paves the way for Eddie Horstman's (45) superb 62 yard punt return to Denton's 5 yard line. On the next play Eddie carried the ball for the Owls first score of the game.

GARLAND 23 SHERMAN 14

Garland assured themselves of a share of the district crown by defeating Sherman 24-14 in an excellent display of hard football. Garland's little sophomore, David Landgraf, turned in his finest game of the season in carrying the ball 17 times for 192 yards.

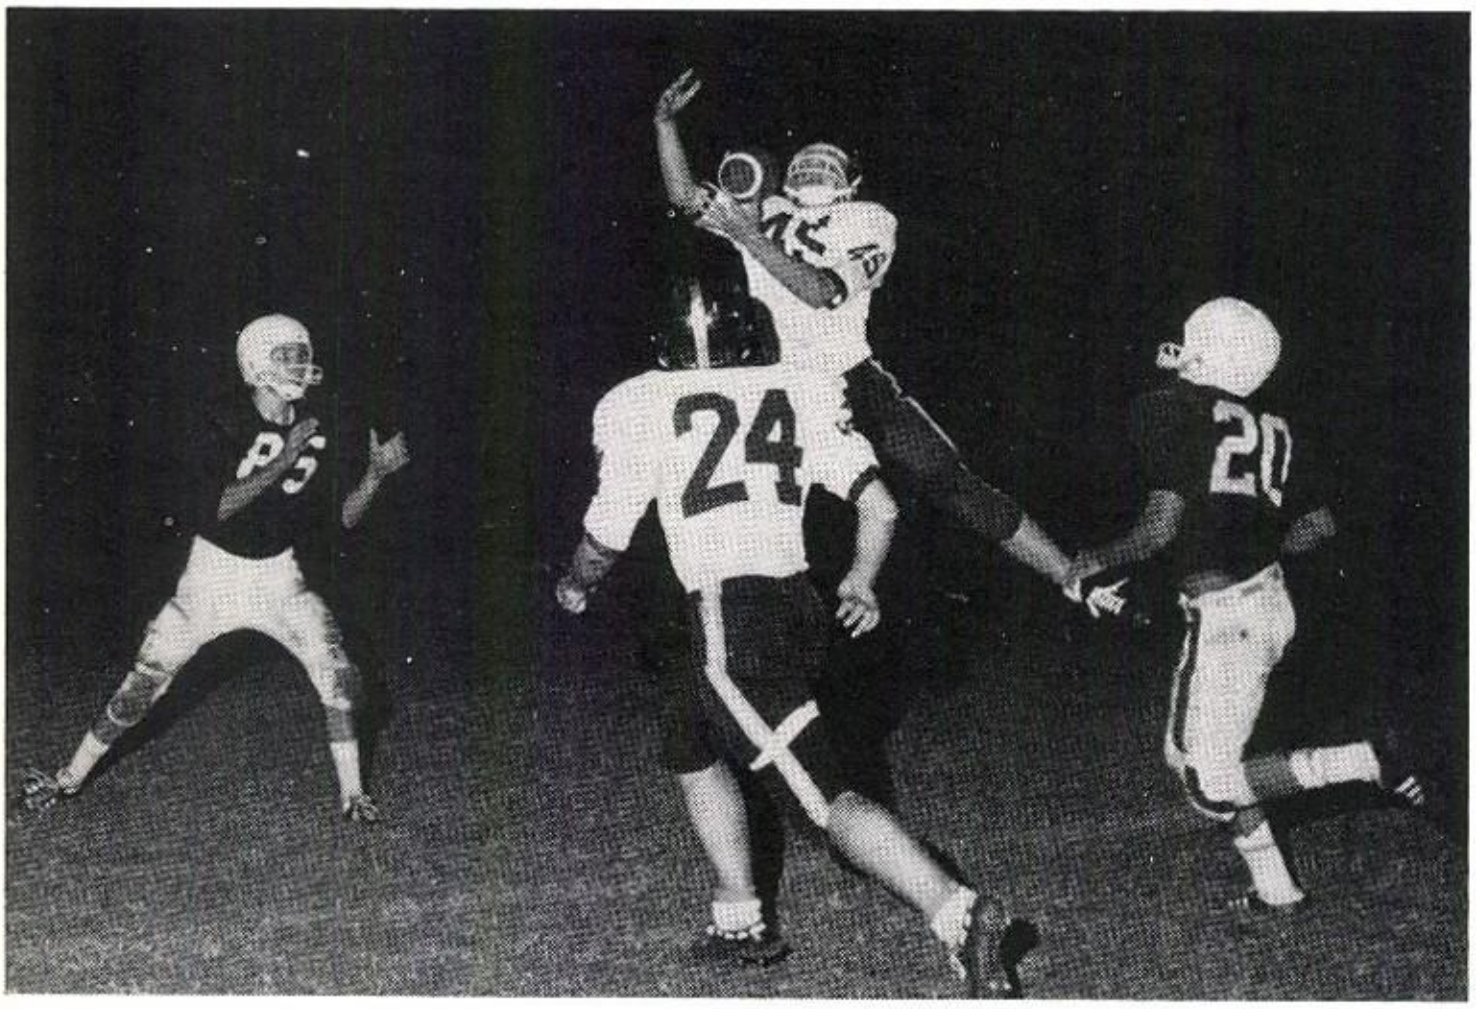
Joe Espinosa started the scoring drive on an intercepted pass to put the Owls in a position for a field goal that split the uprights on a 35 yard flight off the toe of Butch Metcalf.

Sherman took the ball on the Owls' 42 and drove to the one foot line where Ronnie Waldo pushed over for the first Bearcat score. The extra point failed and the Owls trailed 6-3.

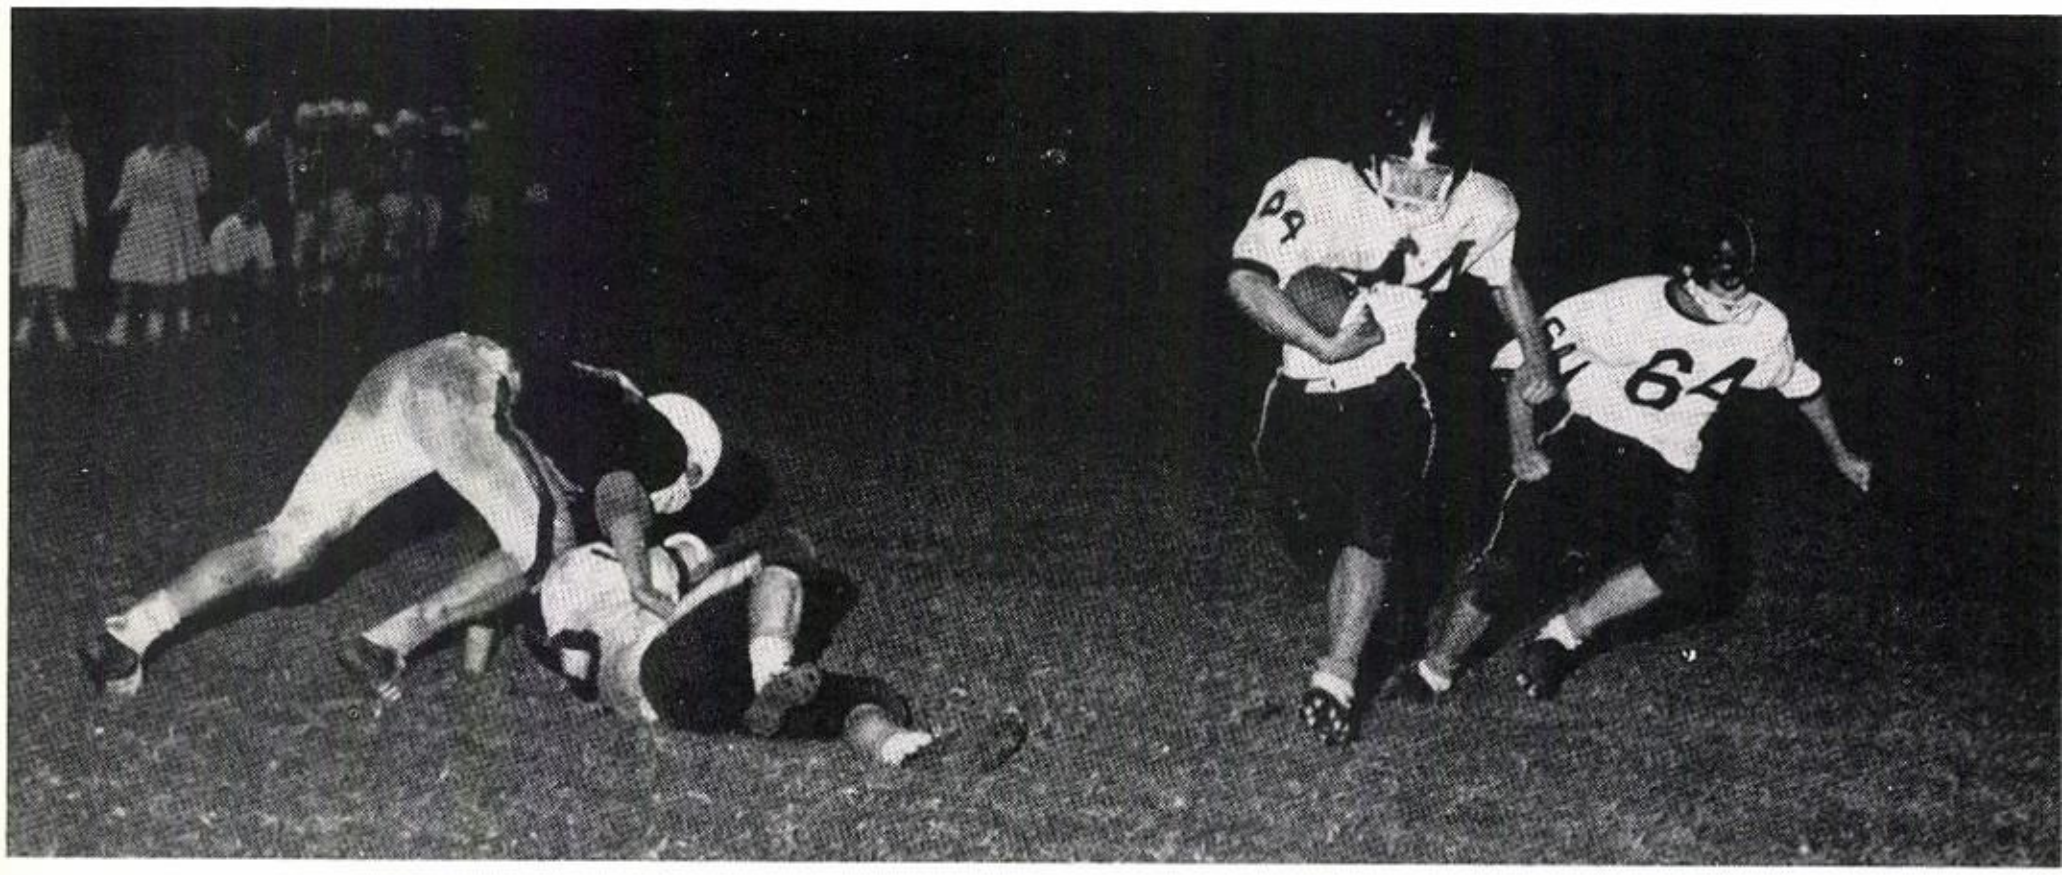
Garland then moved 90 yards in 10 plays for their second score. The tally came on a pass caught by James Rust after being deflected off the finger tips of David Landgraf. Metcalf's kick was good and the Owls owned a 10-6 lead at the half.

The Owls pulled away 17-6 in the third period on a field goal screen pass to Landgraf. It was Landgraf again for the Owls' final score.

With 2:11 left to play Sherman scored on a long pass and Goff scored the extra point to put the final score at 23-14.



Eddie Horstman (45) knocks down a Sherman pass while Gary Mitchell (24) stands ready to cover any possible fumble.



David Landgraf (44) adds some more to his 192 yard rushing total with the help of Ronny Fitzgerald (40) and Tommy Nall (64).

GARLAND 14 HIGHLAND PARK 14

The Owls tied Highland Park in a furious battle to win the District 7-AAAA crown. Highland Park led off the scoring on a 14 yard run by John Roderick. Fussel booted the extra point and the Scots held a 7-0 lead.

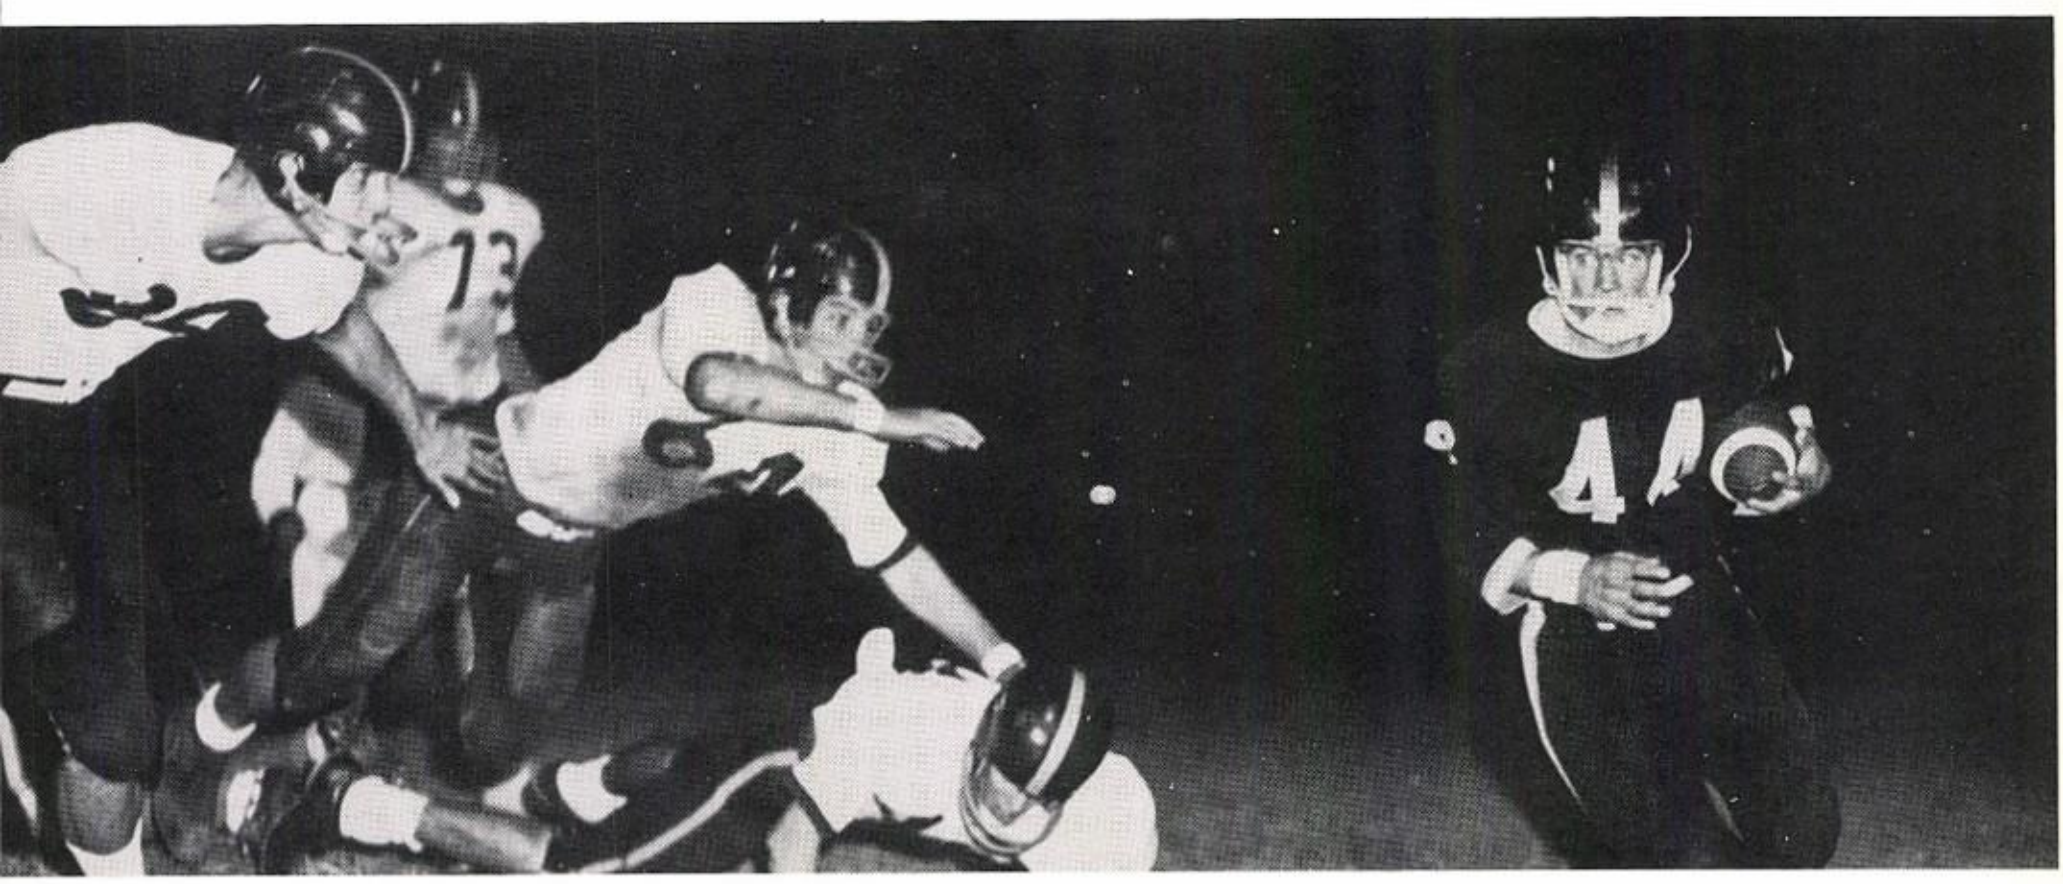
Garland took the ball on their own 30 yard line and went the distance in 16 plays. Metcalf's kick was true and the half ended with the score 7-7.

Garland stalled after a 15 yard penalty in the third quarter and the Scots' Danny Thomas led his team to paydirt to put the Scots ahead by 7 points.

With less than 7 minutes remaining, the Owls took the kickoff and marched 68 yards in 16 plays. Eddie Horstman carried for the last 2 yards to score. Once again Metcalf's kick was good and the score was knotted 14-14 with 1:00 to play. Garland subdued the Scots' desperation attempts to break the tie and earned themselves a berth in the state playoffs.

James Rust (88) fights off two blockers in a desperate attempt to stop Highland Park's Reagon Dixon. Buck Stevenson (12) comes up to aid Rust in the tackle.

The Owls score their first touchdown against the Scots on a keeper through right tackle by Larry Ethridge (17).



David Landgraf (44) lunges for that crucial first down on a fourth and three situation from the Scots' 5 yard line with 2:25 left in the game. He picked up the needed yardage by inches and four plays later halfback Eddie Horstman scored the tying touchdown.

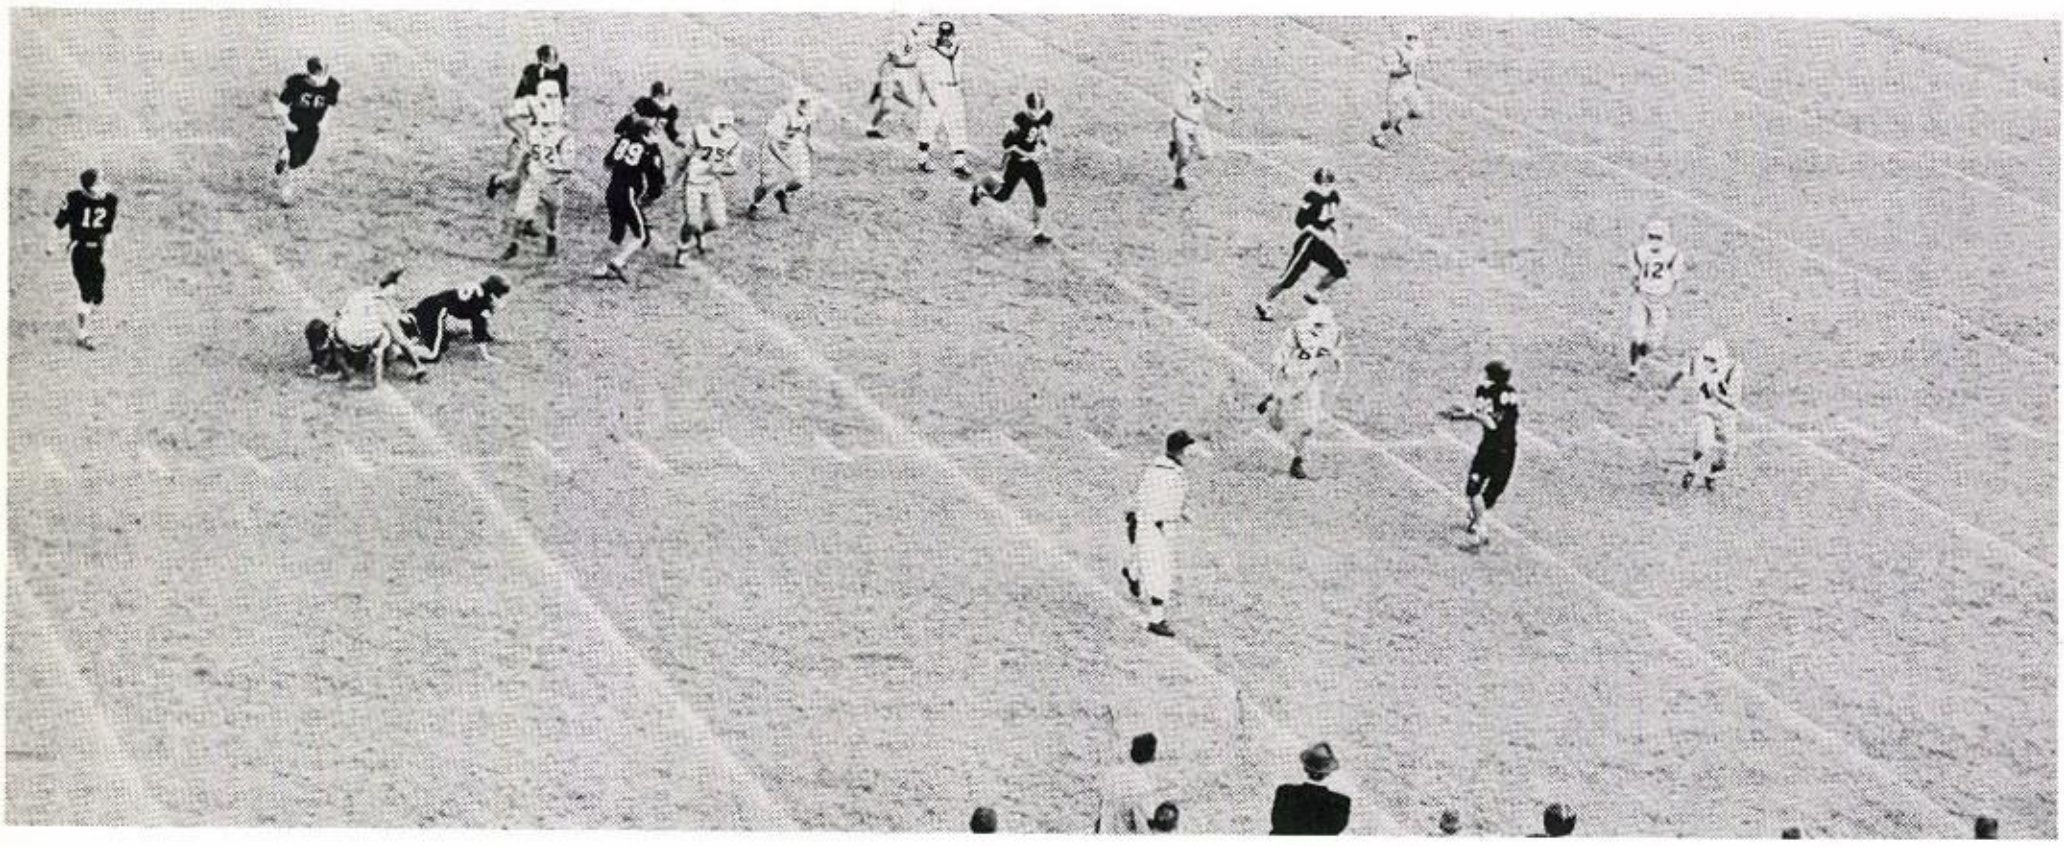
GARLAND 6 LUFKIN 7

It was close, yet far away. That was the situation in the bi-district clash against the Lufkin Panthers. When the final gun sounded, it was Lufkin 7, Garland 6. A lot of hearts were broken, but no one should have been ashamed. It was a hard fought game, but the breaks just went the other way. It could have been worse if it hadn't been for the fine job turned in by Buck Stevenson in filling in for the injured Larry Ethridge.

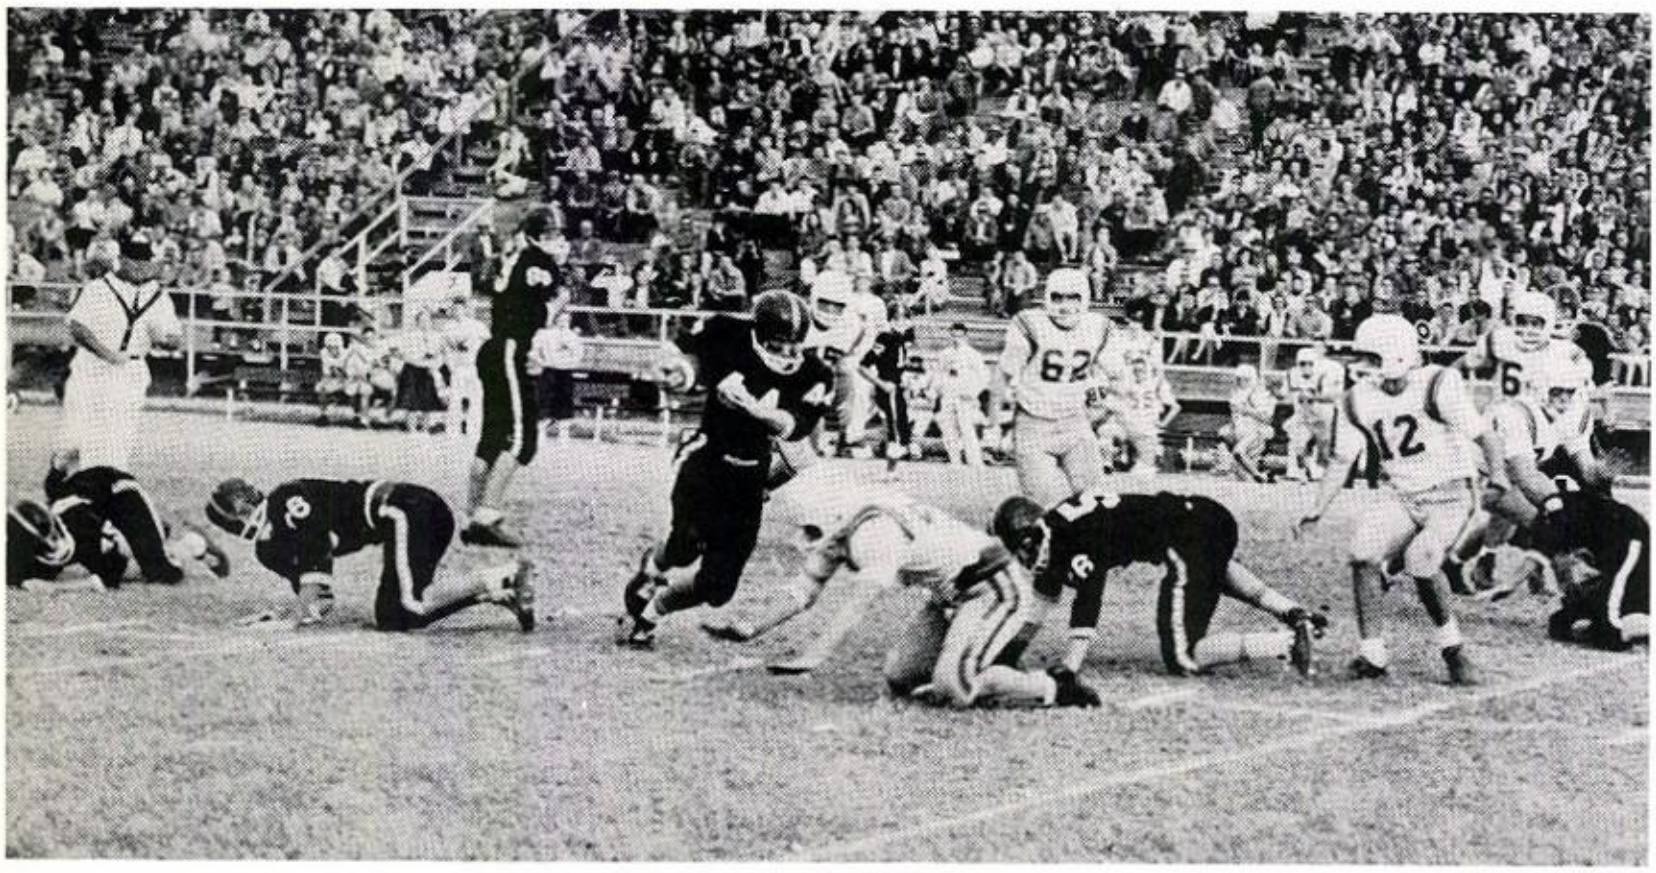
Stevenson set up the only Owl score in a series of passes to lonesome end James Rust in the fourth quarter. It was Rust on the receiving end of a Mitchell pass to climax a 71 yard, 8 play drive. A try for two points that could have made the difference failed. Garland's final chance to defeat the Panthers came on a last minute field goal attempt by Butch Metcalf that fell inches short.

Lufkin's only score was made in the third period by quarterback Cue Boykin from the Owl 5 yard line. The fatal extra point was made by halfback Billy Ballard.

It was a gallant and earnest try by the Owl eleven and everyone should be proud of the fine showing of determination and sportsmanship the Owls displayed.



Lonesome end James Rust (88) eludes Lufkin defenders and hauls in a perfect pass from quarterback Buck Stevenson (12).



David Landgraf (44) hits the right side of the line for a short gain in the bi-district clash against Lufkin.

THE 1960 GARLAND

"B" TEAM

This year's B-Team record of 2-5-2 does not take into consideration several close games and the lack of game preparation due to scrimmages with the A-Team. Without the fine help of these boys in helping the A-Team prepare for their games, the District 7-AAAA crown might not be in the Owl's hands now.

THE 1960 GARLAND OWLS

DISTRICT 7-AAAA RUNNERS-UP

The Garland Owls had an outstanding season this year with an overall record of 19-14. After having lost the season opener to Thomas Jefferson, the Owls bounced back to beat Kimball to start the Owls on a victorious season.

Garland defeated Sherman in the district opener. Beaten by Denton in the second game, the Owls finished the first half of district plan by beating Highland Park and Denison.

The second half of district play was successful except for the thrilling 50-61 defeat by Denton. Coach Brown's mentors did a fine job this season in capturing second place in District 7-AAAA.

Dearest Kay:
It would take more space than I have to tell you how much I love you. To me you are the sweetest girl I have ever known. I hope you continue to listen to me as you always have - and I am very Concerned that you have a high school education. Keep your chin up & always remember what mommie said. BACK ROW: Jack Davis, Mgr., Jerry Prater, James Beasley, Bill Roberts, Coach Brown, Bill Jordan, John Nickerson, Skipper Newman.

The '61 Owl Baseball team, led by Coach Joe Brown, ran hot and cold through the season, compiling a record of seven wins and eight losses. The Owls lost two out of their first three games to Thomas Jefferson, both by heart-breaking one-run margins. After running over Mesquite, 11-0, and losing to Highland Park, 8-3, the Owls pounded out a four game winning streak, high-lighted by Bill Jordan's 13-0 no-hitter over Denison. But inconsistent hitting resulted in a slump of four straight losses, three of them district games. After rebounding to defeat Denison, 9-6, the Owl nine finished the season with a 3-0 loss to the District Champs, Denton.

BACK ROW: Butch Metcalf, Wayne Davis, Tommy Drum, Bill Hatchel, Jerry Turner, Don Granberry, Richard Stone, Ronnie Rutherford, Ross Morris, Larry Wheat, Coach Finley.

Coach Bill Finley's 1961 track team started the season successfully with a series of wins in practice meets with Richardson. After a disappointing showing at the Southwest Invitational, the Owls finished second behind Highland Park at the District meet in a surprising show of strength. Butch Metcalf led the team with two first place finishes, including a District record in the shotput. Larry Ethridge placed first in the high jump. Eight boys qualified for the Regional meet, where Metcalf broke a school record with a first place heave of 56 feet, 6 inches, in the shotput. John Shipley won second place in the broad jump at Regional and broke the school record with his leap of 22 feet, 11¼ inches. These results earned Metcalf and Shipley a trip to the State meet in Austin, where Butch placed fifth, but John scratched on each of his tries.

Coach Billy Stewart and the Owl golf team completed the most successful season in the team's history. The Owl golfers won five out of six matches. In District play the Owls finished only two strokes behind the winning Denton team, playing with a home-course advantage. At the Regional meet the Owls nudged out favored Kimball High of Dallas to finish in second place behind Paschal of Forth Worth. The Denton golfers came in five strokes behind Garland on the neutral course. This year nineteen boys tried out for the golf team. There was strong competition between the first and second units, which was a major reason for the team's success.
